

ICDT 2026

International Display Technology Exhibition

See Display Trend

Date:
April 1st-3rd 2026

Venue:
Chongqing International Expo Center

Address:
No.66 Yuelai Avenue, Yubei District
Chongqing, China

Letter to Exhibitors

Dear Exhibitors,

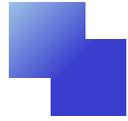

Welcome to the ICDT 2026 exhibition, which will be held by SID China in Chongqing International Expo Center from April 1 to 3. ICDT Display Technology Exhibition, held with International Conference on Display Technology (ICDT), is an excellent venue where global display companies showcase hot display technology, promote display applications, stay ahead with display trends, explore potential customers, expand overseas market, and communicate with end-users. As one of the highlights in ICDT, ICDT Exhibition attracts the whole display industry players, including material, equipment, panel manufactures, and system integrator enterprises. It can satisfy different demands, like looking for upstream resources, panels, and downstream system integrators, reducing the cost of communicating with technical experts and enhancing brand image. It is hoped to promote technical exchanges and enhance market cooperation among display industry practitioners all over the world through ICDT Exhibition.

As one of the most important international conferences sponsored by SID outside the United States, ICDT attracted over 2000 display professionals around the world, of which there were 20%-30% overseas attendees. ICDT has become the annual international display conference. **The Year of 2026 will witness its 10th anniversary. ICDT 2026 Exhibition will last two and a half days, with a planned area of 10,000 square meters, and 10,000+ professional visitors anticipate to see the exhibition. There will be six special areas and five events in the exhibition hall**, including exclusive display booths (customized booth & standard booth), I-zone, Start-up Zone, Special Tech Exhibition Area, SID China Display Industry Award Exhibition Zone, Exhibitor Technology Forum, New Technology & New Product Launch Event, Roadshow of Innovation Projects, CDIA Award Ceremony and “I See Display Trend” Booth Check-in and Lucky Draw Event.

We'd like to invite you to showcase your company's display technology and products in our exhibition. You will enjoy heartfelt, considerate, and professional exhibition service from the ICDT organizing committee. At the same time, the ICDT exhibition will offer unparalleled opportunities to our exhibitors besides seeing and being seen. You can also vote on-site, witness who will be the CDIA winner, get access to visionary keynote speeches, 80+ world-renowned international technical symposium covering 18 technical areas and business conference at a discount price, have the chance to discuss face-to-face with top experts, and gain valuable insights from industry icons in VIP banquet.

We are looking forward to your presence at the ICDT Display Technology Exhibition. If you are interested in further enhancing your company's international awareness, welcome to be the ICDT 2026 sponsor. If you are a corporate member of the SID Beijing Chapter, you will benefit from substantially lower exhibition fees at ICDT Exhibition.

Best regards,
ICDT Organizing Committee

The largest international display industry event with the highest specifications in China

ICDT Display Technology Exhibition, held during International Conference on Display Technology (ICDT), is an excellent venue where display companies all around the world showcase hot display technology, promote display applications, stay ahead with display trends, explore potential customers, expand overseas market, and communicate with end-users. As one of the highlights in ICDT, ICDT Exhibition attracts the whole display industry players, including material, equipment, panel manufactures, and system integrator enterprises.

To be Seen

ICDT provides your company an unparalleled marketing opportunity to get before more than 1000 display professionals from world-leading companies and end-users across the value chain.

Six Special Areas

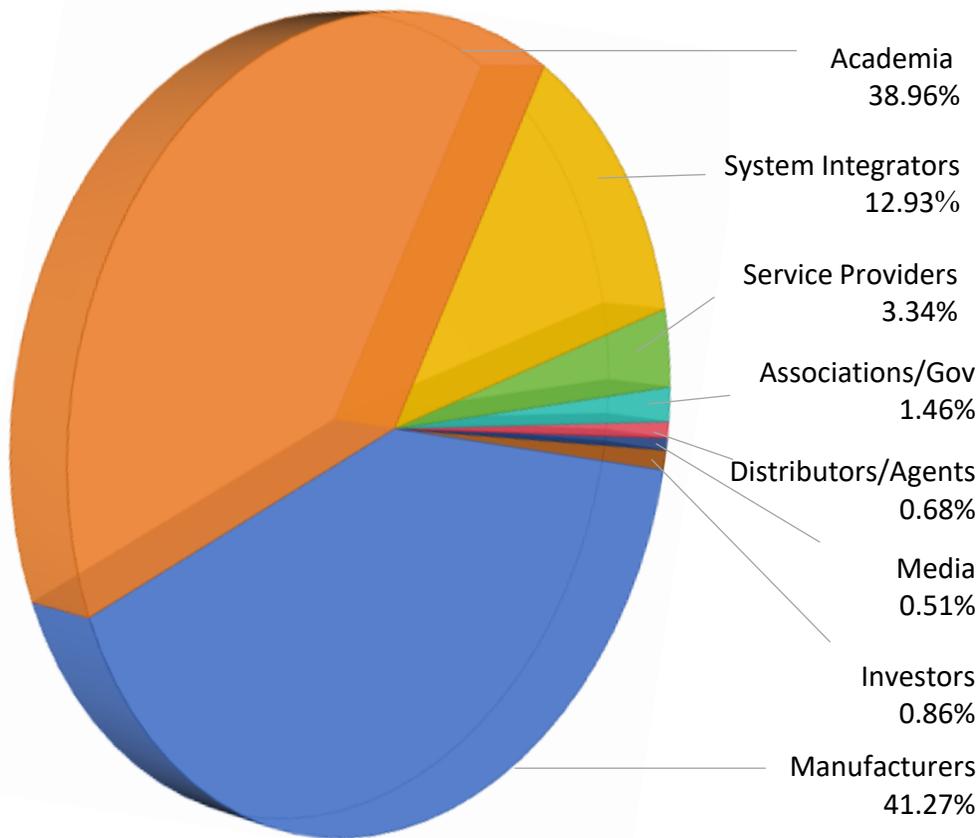

- a. Exclusive display booth (Customized booth & standard booth)
- b. I-zone
- c. Start-up Zone
- d. Special Tech Exhibition Area
- e. SID China Display Industry Award (CDIA) Exhibition Zone
- f. Exhibitor Promotion and Exhibitor Technology Forum

Five Activities

- a. Exhibitor Technology Forum
- b. New Technology & New Product Launch Event
- c. Roadshow of Innovation Projects
- d. CDIA Award Ceremony
- e. "I See Display Trend" Booth Check-in and Lucky Draw Event

ICDT2025 Exhibition Visitor Data:

Visitor Company Type

Buyer-Verified Influence

Evaluator/Recommender	36.41%	No Role in Decision	18.05%
Final/Co-Decision Maker	34.69%	Specifier	9.73%
Others	1.12%		

Visitor Intent

Scan tech/products/market	33.36%	Network with peers	4.01%
Join technical sessions	32.87%	Scout for future exhibiting	2.59%
Meet current suppliers	11.61%	Track competitors	1.26%
Source new vendors and procure products	9.08%	Hunt investments	0.38%
Seek agents/partners	4.17%	Others	0.67%

ICDT Exhibition Highlights:

❑ **Gathering of the Entire Display Industry Chain**

China's top four panel makers (BOE, TCL CSOT, Tianma, Visionox) will exhibit together—a rare opportunity. New products and technologies will be launched, making it ideal for upstream and downstream players to showcase and exchange innovations.

❑ **Hot Display Technologies & Applications**

Features Mini/Micro-LED, OLED, QLED, AR/VR/MR, E-paper, AI+Display, and LCD-related products.

❑ **AI+Display Special Zone**

Dedicated to AI display science, applications, manufacturing, AIGC, image processing, chips, and large models.

❑ **Brand Promotion & Business Matching**

Attracts 10,000+ professional visitors from 478 institutions (across 18 regions), offering face-to engagement and forums for collaboration.

❑ **Dual-Event Benefit**

Register for ICDT and enjoy discounts for the "China Pavilion" at Display Week 2026.

ICDT Exhibition Highlights:

□ Innovation & Capital Integration

The Start-up Zone, I-Zone, and business conference connect leading display companies and emerging startups with capital and collaboration opportunities. SID China's blockchain-based innovation display technology service platform also helps enterprises efficiently integrate resources—including market demand, funding, technology, talent, and equipment—to tackle technical challenges and reduce investment risks.

□ Prestigious Industry Awards

The China Display Industry Awards (CDIA) recognize the year's most innovative and groundbreaking products and technologies, offering authoritative industry endorsement through expert review and audience voting.

□ In-Depth Technical Programs

Featuring 900+ technical and business presentations, 80+ sessions, and 18 display technology fields, ICDT brings together global academic leaders and industry experts. Key sessions cover metaverse displays, Micro/Mini-LED roadmaps, AI-enabled imaging, human factors, and visual health.

□ Exclusive Industry Insights

Gain forward-looking perspectives on sustainable, green, and standardized development in the display industry through specialized forums on technology standards and carbon footprint assessment.

What do we have in ICDT exhibition?

Professional procurement platform

Exhibits including materials, components, chips, equipment, panels to system integrators and terminal products.

Cutting-edge display technology

Get a quick insights of next-generation display technologies and applications, innovations and novel products, and latest trends of display industry development.

Display industry awards

Enhance the influence of your technology or products through being a CDIA winner. There are six award categories: Display of the Year, Display Application of the Year, and Display Component of the Year. Innovation Display of the Year, Innovation Display Application of the Year, and Innovation Display Component of the Year.

Visitors across whole display value chain

Visitors specializing in corporate management, purchasing, design, R&D, engineering, technology, manufacturing, sales & marketing, project management and quality control.

High level international conference

Display elites all around the world gather at the ICDT featuring with 18 technical fields, 10 popular technical topics, 80+ symposia and 900+ talks.

Rich activities in Exhibition

6 exhibition areas and 5 on-site activities elaborately planned in the ICDT exhibition.

What can you show in ICDT exhibition?

Display Material

Substrate glass, Wet chemical material, Liquid crystal material, OLED material, Quantum dot, Polarizer, Color filter, optical thin film, Backlight module, Driver IC, Target material, Glass cover-plate, Printing ink, Optically clear adhesive, Conductive silver paste, Clean material, Connector, Membrane material and so on.

Display screen

LCD displays, PMOLED displays, AMOLED displays, Micro-LED display, Mini-LED displays, e-paper, Laser display, Flexible display, Holographic display, 3D display, Microdisplays and so on.

Manufacturing equipment

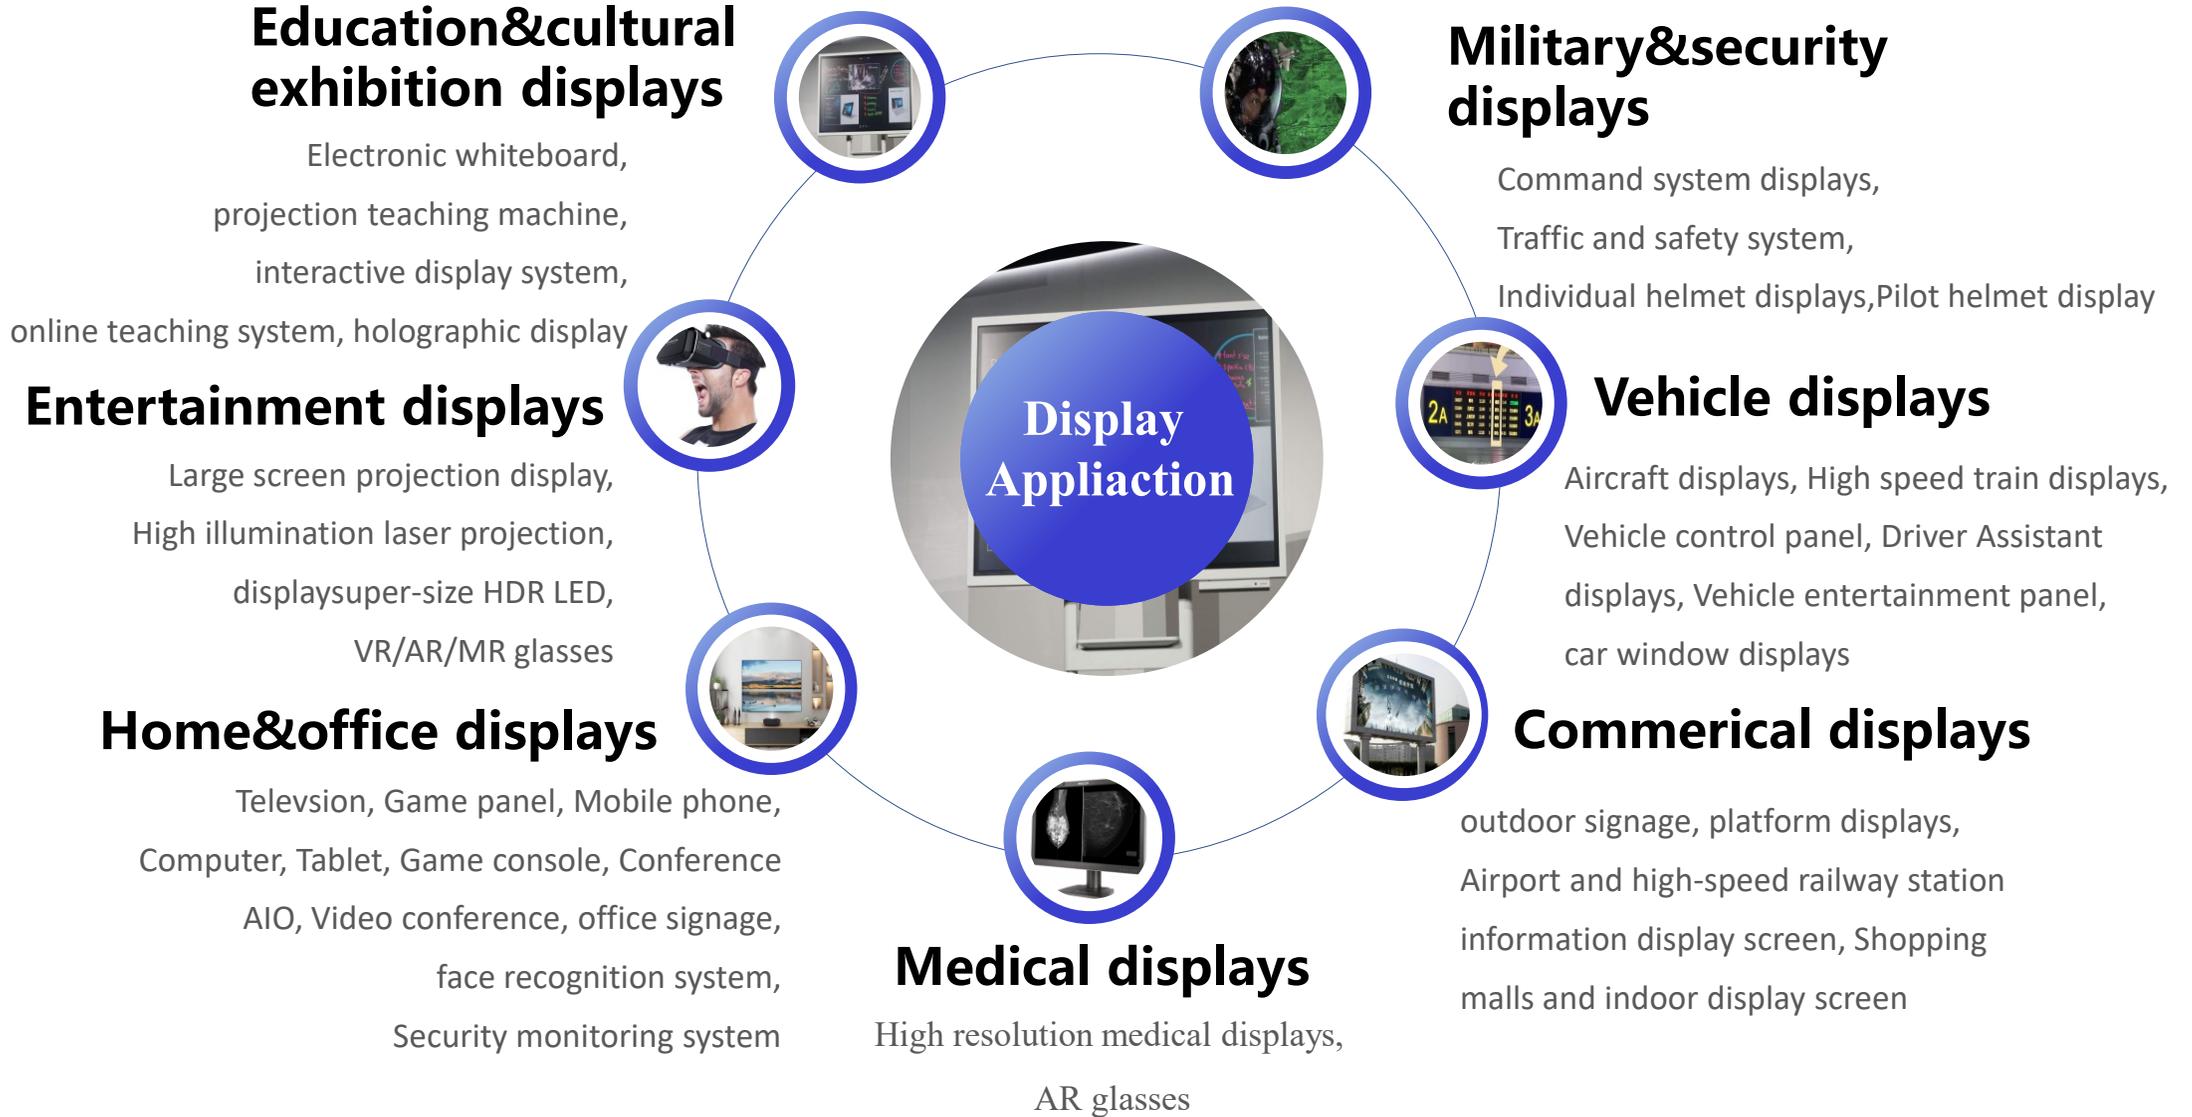

Exposure machine, Developing apparatus, Etching machine, Clean equipment, Laminating machine, Repairing facilities, PI curing Machine, Directional friction equipment, Perfusion/sealing machine, Inkjet printer, Cutting equipment, evaporation equipment, Bonding device, Laser gear, Test instrument, Packing equipment, Mass transfer equipment etc.

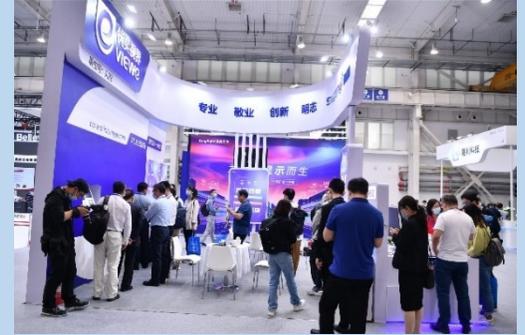

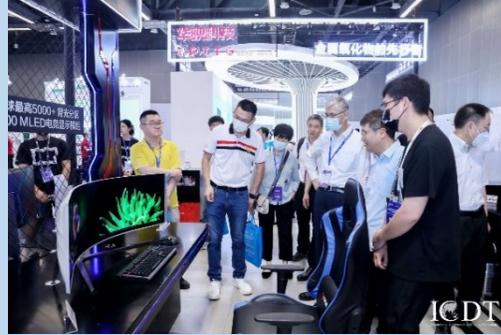

Display application

Education and cultural exhibition, Entertainment, Home and office, Medical, Commercial display, Vehicle display, Military and security applications. For details, please go to the next.

Display Application

Splendid moments of previous ICDT exhibition

What are Benefits of Becoming ICDT Exhibitors?

- ✧ Your company shall enjoy the privilege to send out VIP exhibition invitations to your (potential) customers so that they can visit your booth.
- ✧ Enhance your company's exposure and public awareness by publishing your company's profile and product introduction in the ICDT 2026 conference brochure which will be sent out to every attendee.
- ✧ Your company's name, booth number, and company profile showed on the exhibition web page of the ICDT official website.
- ✧ Your company's website will be linked to your company's exhibition information on ICDT official website.
- ✧ Allowed to use the ICDT logo in your ICDT related marketing and exhibition promotion.
- ✧ Enjoy opportunities to be seen on SID China social media platform.
- ✧ Complimentary tea breaks are available in the exhibition hall every day.
- ✧ Provide 9m² standard exhibition booth or a multiple of 9 m² exhibition booth
- ✧ In the exhibition area, exhibitors can use the exhibitor promotion stage* to publicize their products to consumers or hold a new product launch conference, 5-10 minutes free of charge. The publicity time is subject to the schedule arranged by the organizing committee.
- ✧ Meet your products' end-users and expand your customer base.
- ✧ *Free use of the Exhibitor Promotion stage according to the order of registration.

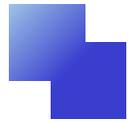

Pre-Exhibition

- We conduct a comprehensive publicity campaign designed to drive traffic to the ICDT Exhibition through the WeChat public platform, public relations, Web page, and e-mail blast.
- Please send an e-mail about your pre-exhibition promotional materials to ICDT staff so that we can assist you in outbound publicity efforts.
- Based on the promotion materials your company gives us, we will create an exclusive promotion for your company's exhibiting at ICDT on our social media platform.
- Show your company's name, booth number, and company profile on the exhibition web page of the ICDT official website.
- Your company's website will be linked to your company's exhibition information on ICDT official website.
- Your company can use the ICDT logo in your ICDT related marketing and exhibition promotion.

We are dedicated to giving ICDT exhibitors the best possible return on investment at the ICDT Exhibition. From assisting you in driving traffic to your booth, to providing exclusive value-added opportunities and services, we will make efforts to ensure the success of your exhibit.

During the Exhibition

Complimentary

Enjoy one complimentary VIP banquet ticket (the evening of April 1), a good chance to enlarge your circle of contacts.

Complimentary buffet passes (quantity based on booth area).

One free pass to the business conference for market trends and industry updates.

To be ICDT Sponsor

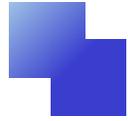

By becoming the ICDT official sponsor, your company's brand will hover in the mind of all the attendees for a long time after the conference ends. Sponsorship programs of various budgets are available, like badge lanyards, tote bags, the conference souvenir to name a few. In addition, we can work with your company to customize a sponsor scheme to achieve maximum exposure and impact.

Brand Promotion

Publish your company's profile and product introduction free of charge in the ICDT 2026 conference brochure which will be sent out to every attendee.

**Benefits
for
Exhibitors**

During the Exhibition

Conference discount

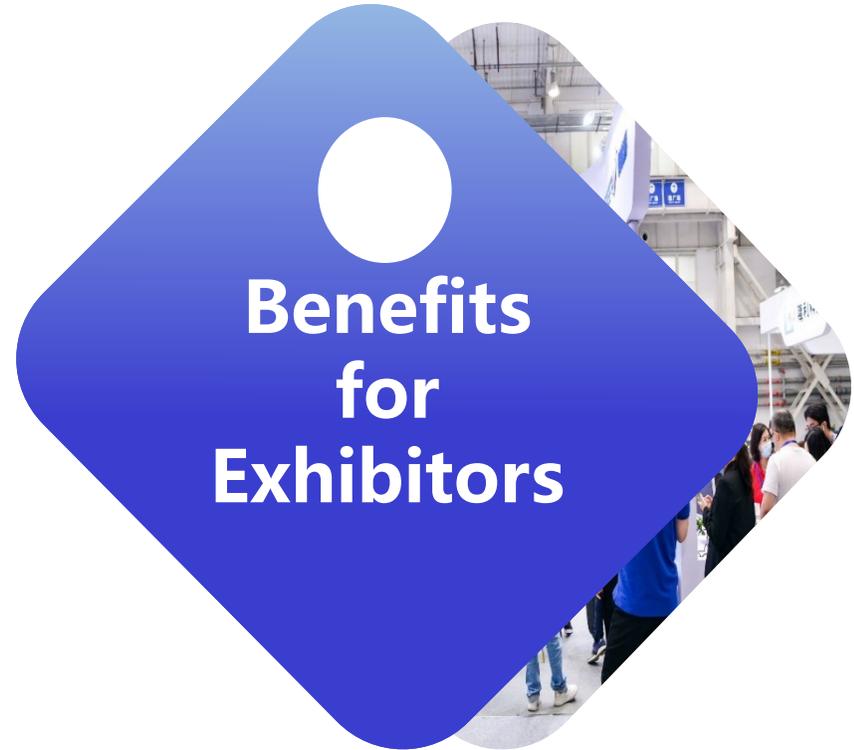

Free access to ICDT plenary session;
Exhibitors attend the technical symposium at a discount registration fee.
Attendees from exhibitor companies who also attend technical symposiums can enjoy a 400 RMB discount compared to a regular attendee.

Exhibitor Promotion

In the exhibition area, exhibitors can use the exhibitor promotion stage to publicize their products to consumers or hold a new product launch conference, 5-10 minutes free of charge. The publicity time is subject to the schedule arranged by the organizing committee.

Exhibitor Services

Complimentary tea breaks are available in the exhibition hall every day.
We will arrange the staff to shoot the interview video for your booth and post it on the SID WeChat Video Channel.
We will arrange the staff to shoot the wonderful moments for your booth.

Post Exhibition

E-mail Marketing

To assist our exhibitors in the marketing promotion, after the exhibition, we will send out an email blast with your company's information to all the ICDT attendees.

Social Platform Promotion

The highlights of your company's booth will be seen in the ICDT 2026 promotional summary on SID publicity platform and ICDT official website.

Booth Price

Type	Early bird price	After 2026 Fed. 13	Start-up membership price	Basic membership price	Silver membership price	Gold membership price	Platinum membership price
Island booth	1480 RMB/m ²	1580 RMB/m ²	1406	1361.6	1243.2	1095.2	962

- ◆ The charge only covers fee for the customized booth area. It does not include charge for designing and constructing the booth.
- ◆ Please contact the booth builder on your own.
- ◆ Custom-built booths: minimum 36 sqm, with options including 36 sqm, 54 sqm, 72 sqm, 90 sqm, 108 sqm, 135 sqm, 180 sqm and above.

Type	Booth size	Early bird price	After 2026 Fed. 13
Linear booth	9m ²	13800 RMB	14800 RMB

Meeting room

Small room (3m*3m)
5000RMB, whole period

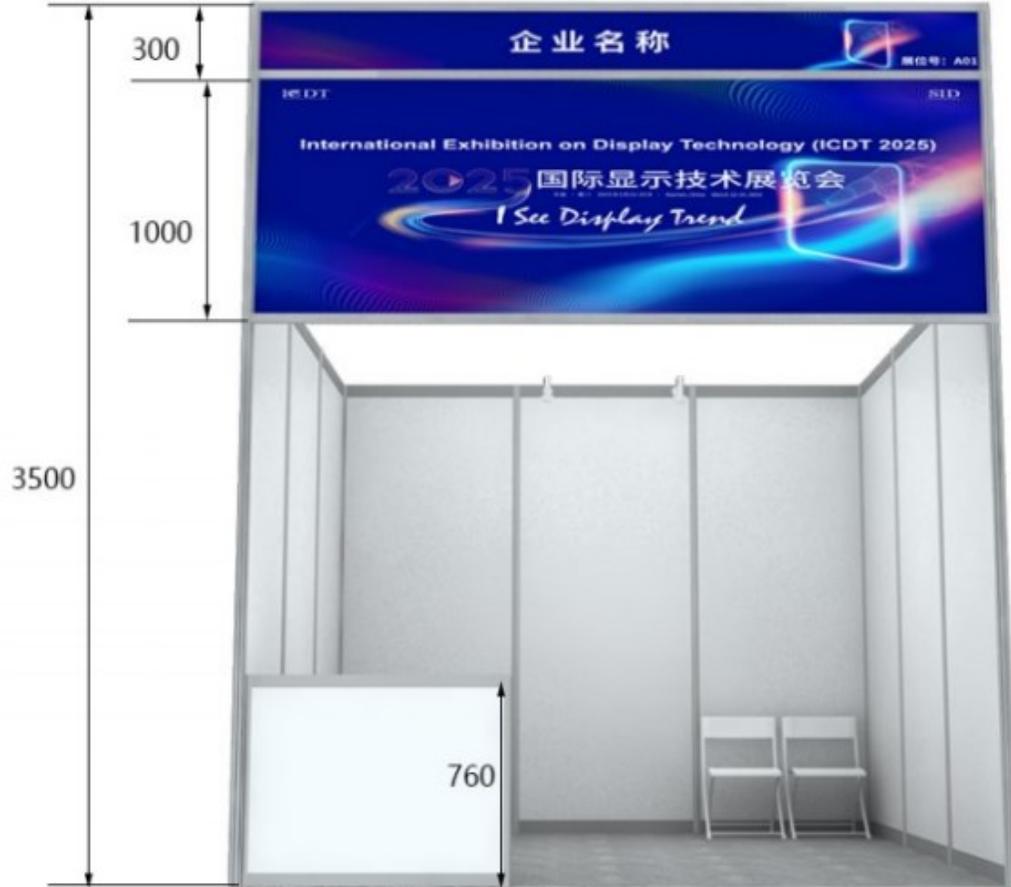

- ◆ Linear booths are constructed by the exhibition organizer. See the next page for detailed booth construction specifications.
- ◆ Linear booths come with one open side by default.
- ◆ For corner booths, an additional 500 RMB fee applies for adding a second open side.

SID corporate membership includes gold, silver, and basic categories. To apply or renew your corporate membership, please e-mail us.

To obtain more information about SID Beijing Chapter corporate membership, please contact us.

Note: To be qualified to enjoy ICDT 2026 booth discount, SID Beijing Chapter corporate membership must be valid till April 3, 2026.

Linear booth

单位: mm

Type	Booth size	Early bird price	After 2026 Feb. 13
Linear booth	9 m ²	13800 RMB	14800 RMB

- Additional fee: 500 RMB per exposed corner
- The price of the exhibition does not include the power electricity of the booth, including the booth construction fee and the basic equipment required for the exhibition listed below

No.	Items	Size	One opening	Dual openings
1	Square column booth	3m*3m*4m (L*W*H)	1	1

3	Front Panel	1*2.96m	2	4
4	Fluorescent lamp		2	2
5	Carpet	3m*3m	9	9
6	Reception Table	0.97m*0.47m*0.76m (L*W*H)	1	1
7	Padded Side Chair		2	2

Note: The above picture is only the appearance design illustration of the booth, not the final rendering of the ICDT booth

Exhibitor Promotion and Exhibitor Technology Forum

The company that has registered to exhibit at ICDT 2026 shall enjoy 5-10 minutes to promote your company products on the exhibitor promotion stage. If your company cherishes this chance, remember to tell us when you book the booth. The publicity time is subject to the schedule arranged by the organizing committee. The company that has not reserved the booth at ICDT 2026 needs to pay a fee to publicize products on the exhibitor promotion stage, 5000 RMB/20 minutes.

The Exhibitor Technology Forum is set up in the exhibition hall, equipped with an LED screen, console, stereo system, podium, and chairs. It will create a high-quality audio-visual effect. There will be an exhibitor forum in the exhibition area. Every exhibitor shall enjoy 5-10 minutes to introduce your company's products to the audience or hold a new product launch event free of charge.

(*Free use of the Exhibitor Promotion stage according to the order of registration.)
